

# Come and get involved!

The Gloucester Railway Carriage and Wagon Museum is developing fast as can be seen on our Development Timeline (right) and many of us also volunteer for the museum from home, undertaking administrative roles. The HQ for the museum is currently the Chairman's home in Gloucester.

We are also preparing for our first physical active base of operation as we have entered into discussions with various organisations.

We would like as many members as possible to feel they are a part of this exciting project and we are always trying to find ways to increase our numbers of active volunteers to help with expanding our activities that are needed to make the museum a success.

We attract people from all walks of life and everyone is welcome, no matter who they are, what skills they are or how often you can provide help. We need help in many different areas, from publicity, commercial and marketing, curating and archiving to engineering and woodwork. If you

have a skill that you feel could benefit the museum, we can find something to do with it to help us develop and help this unique project!

# Gloucester Railway Carriage and Wagon Museum

CIO Charity Number: 1191551

The Gloucester Railway Carriage and Wagon Museum is working to open a museum dedicated to the Gloucester Railway Carriage and Wagon Company Limited from 1860 until 1986 and industrial and light railways in the Gloucester area, in particular but not exclusively by the creation and operation of a museum and owning, repairing, constructing and preserving railway heritage, coaching stock and associated artefacts for use and appreciation by the public.

We aim to construct a unique museum dedicated to Gloucester's industrial heritage past.

M187085 being transported to a storage facility on 12 December 2018. With your help it could be restored by 2022.
